Starea profesiei de consiliere in Romania - Perspective Globale

Targu Mures - 27 noiembrie 2008 ora 23:41
Comunicat tip General in Social

In prima parte a lunii noiembrie Active Labs a participat la conferinta 'Science and Technology in the Context of Sustainable Development', gazduita de Universitatea Petrol-Gaze din Ploiesti, conferinta care a inclus 25 de sectiuni pe diverse teme. Comitetul sectiunii de Consiliere - 'Starea profesiei de consiliere in Romania. Perspective Globale' - a fost alcatuit din Dr. Gil Linne - Universitatea Phoenix, Arizona, USA, Dr. Andreea Szilagyi, Director NBCC International Europe si Presedinte NBCC Romania si Dr. Emil Stan din partea gazdelor.

Sectiunea de consiliere a fost cea mai bogata sectiune a conferintei, gazduind invitati cu o vasta experienta practica in domeniu, sositi din intreaga lume: Hans-Jurgen Weiβbach - Fachhochshule Frankfurt am Main, University for Applied Sciences, Germany; Susie See Ching Mey, MHF - Malaysia; Charles Gressard, PhD, LPC - College of William & Mary, USA; Nancy Sherman - Bradley University, USA; Suleyman Dogan - Ege University, Turkey; Nevin Dolek - Bahcesehir University, Turkey; Nevena Rakovska - Business Foundation for Education, NBCC Bulgaria; Tunde Bojtos - Ungaria; Ana Teresa Gouveia - Instituto Superior de Educacao e Ciencias (ISEC), Portugalia; Angeliki Chougia - Greece, Visar Ademi and Lidija Damceska - Carana Corporation, Macedonia.Din Romania de asemenea au fost prezente personalitati importante din domeniul consilierii si orientarii vocationale - Andreea Szilagyi - NBCC Romania, Gheorghe Tomsa - Universitatea Bucuresti, Emil Stan - Universitatea Petrol Gaze, Ploiesti, Luminita Danes - ANOFM.S-au prezentat si dezbatut aspecte legate de starea curenta de dezvoltare a profesiei de consiliere in diferitele tari participante, inclusiv detalii legate de programele Global Career Development Facilitator (GCDF) - http://nbcc.ro/ro/gcdf - si Mental Health Facilitator (MHF) - http://www.nbccinternational.org/mhf.Iulia Sara, GCDF Master Trainer si Partner Active Labs a sustinut in cadrul conferintei lucrarea 'Interventii pentru dezvoltarea carierei in mediul de afaceri din Romania', lucrare pregatita impreuna cu Amalia Stanciu, NCC, GCDF si doctorand la Universitatea Syracuse - New York, USA. Lucrarea sustine si argumenteaza in favoarea implementarii programelor de dezvoltare in cariera in

companiile din Romania, programe care vor imbunatati performanta organizationala si in acelasi timp vor satisface nevoile de dezvoltare in cariera ale angajatilor.
